

I am a Responsible Digital Citizen!

I will be responsible when I am at school!

- ❖ I will use all technology for educational purposes only.
- ❖ I will use my assigned device.
- ❖ I will make sure my learning space is clear of drinks and food.
- ❖ I will walk with closed technology, with two hands.
- ❖ I will be gentle and patient with touch screens and I will report others that are being destructive to the technology in our school.
- ❖ I will tell the teacher when I see any problems with the technology that I am using right away.

I will listen to my conscience (the feeling I get that helps me tell right from wrong)!

- ❖ I will make sure that I am safe when I am on-line.
- ❖ I will only visit appropriate websites and Apps for learning and for my education.

I will listen to my head!

- ❖ I will protect my private information and the information of others.
- ❖ I will not share my login information or my passwords with others.
- ❖ I will log off when I am done.
- ❖ I will not use other people's accounts if they forget to log off.

I will respect others and myself when I am online or using technology!

- ❖ I will use kind words.
- ❖ I will remember that my 'digital footprint' should never harm others.
- ❖ I will stand up and say 'NO' to cyber bullying.
- ❖ I will tell an adult if someone is being unkind or harmful online.

I will follow these expectations so I can keep my technology privileges at school.
